

Dear AWC Members,

I hope everyone had a wonderful summer. Our Summer Dinners were very well attended! Our Ashford Whales had a great season and the AWC joined in the fun of the Fourth of July Parade. But now Fall is in the air, well in our thoughts and calendars at least. The children are back in school and it is time for the AWC monthly membership meetings to begin again!

What a thrill it is to be working with Board members Jocelyn Malone, Gina Dubin, Jo Ellen Anderson, Shari Manning, Suzi Reynolds and Natalie Marshall. They bring great ideas to the table. Jocelyn and Gina have worked diligently to plan fun and rewarding meetings for our members, I encourage you to attend as many as possible.

Our first membership meeting on September 13th, will be our traditional "Meet and Greet" with a luau theme. We will meet in the home of Ann Ellis, 807 Harvest Moon. Please reach out to a friend or neighbor and bring her to our first meeting. Our theme this year is "One small club making the community great." We want to involve as many community members as possible. Please encourage others to join us by sharing about your experiences and about the friendships you have developed. Let the neighborhood know what a fun group we are.

It is membership renewal time, please remember to bring a check or cash to cover the \$30.00 dues. I can't wait to see everyone on September 13th!

**One small club making
the neighborhood great**

Best regards,

Barb Chisholm
